Cocodrie Division											
<p>All Field Teams-Heat Stress will be mitigated by proper hydration, PPE, and sunblock. Communications- Personnel will carry a cell phone for each team and have a current phone list. Slips/Trips/Falls will be mitigated by proper housekeeping at sites as well as identification of STF's at field work locations. STF's identified will be made visible and be communicated with all team personnel if they cannot be eliminated. Animals/Insects- Avoid animals when possible and use insect repellent t. Note any hostile animals you have encounterd and communicate back to field team lead. HAZMAT operations- All personnel will wear proper PPE (ie. Nitrile gloves will be worn, tyvek suites, rubber booties and possible APR/SCBA if air monitoring indicates exceedence of site action levels (See site HASP for Action Levels)) when working with HAZMAT material. Personnel will ensure proper hygiene while on-site to include washing hands after using restrooms and washing prior to any food consumption. Chemical Hazards-See HASP</p> <p>All field operation personnel will review and sign site HASP prior to conducting work activities.</p>
